Speed of Thought: AI Meetup - Event Agenda

Hosted by WeMakeDevs. Venue: 91Springboard, 21B Udyog Vihar, Sector 18, Gurugram.

Date: Saturday 31 October 2026. Capacity 100 attendees, in person only.

09:00 - 09:30 Check-in, welcome drinks and networking. Bring your ID and laptop charger.

09:30 - 10:00 Technical talk: Why Model Quantization Matters for Efficient Inference, by Shivay. Covers Q4 and Q8 formats, memory bandwidth and accuracy trade-offs.

10:00 - 10:40 Hands-on workshop: Build Faster with Wispr Flow. Install Wispr Flow beforehand and grant microphone permission.

10:40 Building phase starts. Teams build an AI project on site.

Agenda (continued) and submission rules

13:00 - 14:00 Pizza lunch and drinks. Building continues.

14:00 Build submissions close. Late submissions are not accepted.

Submit a public repo link and a short demo video or live demo.

14:00 - 14:45 Networking and judging. Each team gets about two minutes to demo.

14:45 - 15:00 Winner announcement, prizes and closing remarks.

Prizes: best build wins a Keychron keyboard. Best social media post about the meetup wins a Logitech MX Master 4. Wispr Flow swag for participants.
